yeah, fuck america for providing an environment in which life saving medical technology can be invented

emedicine.medscape.com/radiology

my question was what are your thoughts on trying to find the right amount of energy? too low an energy and i feel out of place but too high and i feel like i come across as needy

emedicine.medscape.com/appendicitis

when hillary is elected, i see it as a slam dunk, look for more of the same policies that we have had for the last 4 12 years.
